

Butterflies

By

Barbara Williams

1-Day Workshops 2026

Venue DPAQ ClubRooms
Duration 9:00 AM to 3:00 PM
Maximum 15 people per workshop
Cost \$100 per person per workshop, includes materials

Saturday 17th October

APPLIQUE

All skill levels welcome

In this workshop, work through raw-edge and turned-edge applique techniques to create 2D and 3D Butterflies and Butterfly wings. Raw-edge appliqué is a fast, beginner-friendly sewing technique. Explore turned-edge appliqué. Play with fabrics and colours to turn your Butterflies into works of art.

Sunday 18th October

FREE- MOTION MACHINE STITCHING

All skill levels welcome

In this workshop, learn the freedom of free-motion machine stitching. Develop skills in creating 2D and 3D lace Butterflies. Use water-soluble wash-away fabric to create Butterflies

Required: Sewing machine in good working order, with **DARNING FOOT** attachment, not a **walking foot**.

Saturday 24th October

THREAD PAINTING

Free-motion machine stitching skills required

In this workshop, explore thread-painting techniques to create 2D and 3D Butterflies and Butterfly wings. Study how to lay down thread colours and create textures using free-motion stitches. Design your own Butterflies and Butterfly wings

Required: Sewing machine in good working order, with **DARNING FOOT** attachment, not a **walking foot**.
